LICENCIATURA EN DISEÑO GRÁFICO (UNR).

SÍNTESIS GRÁFICA

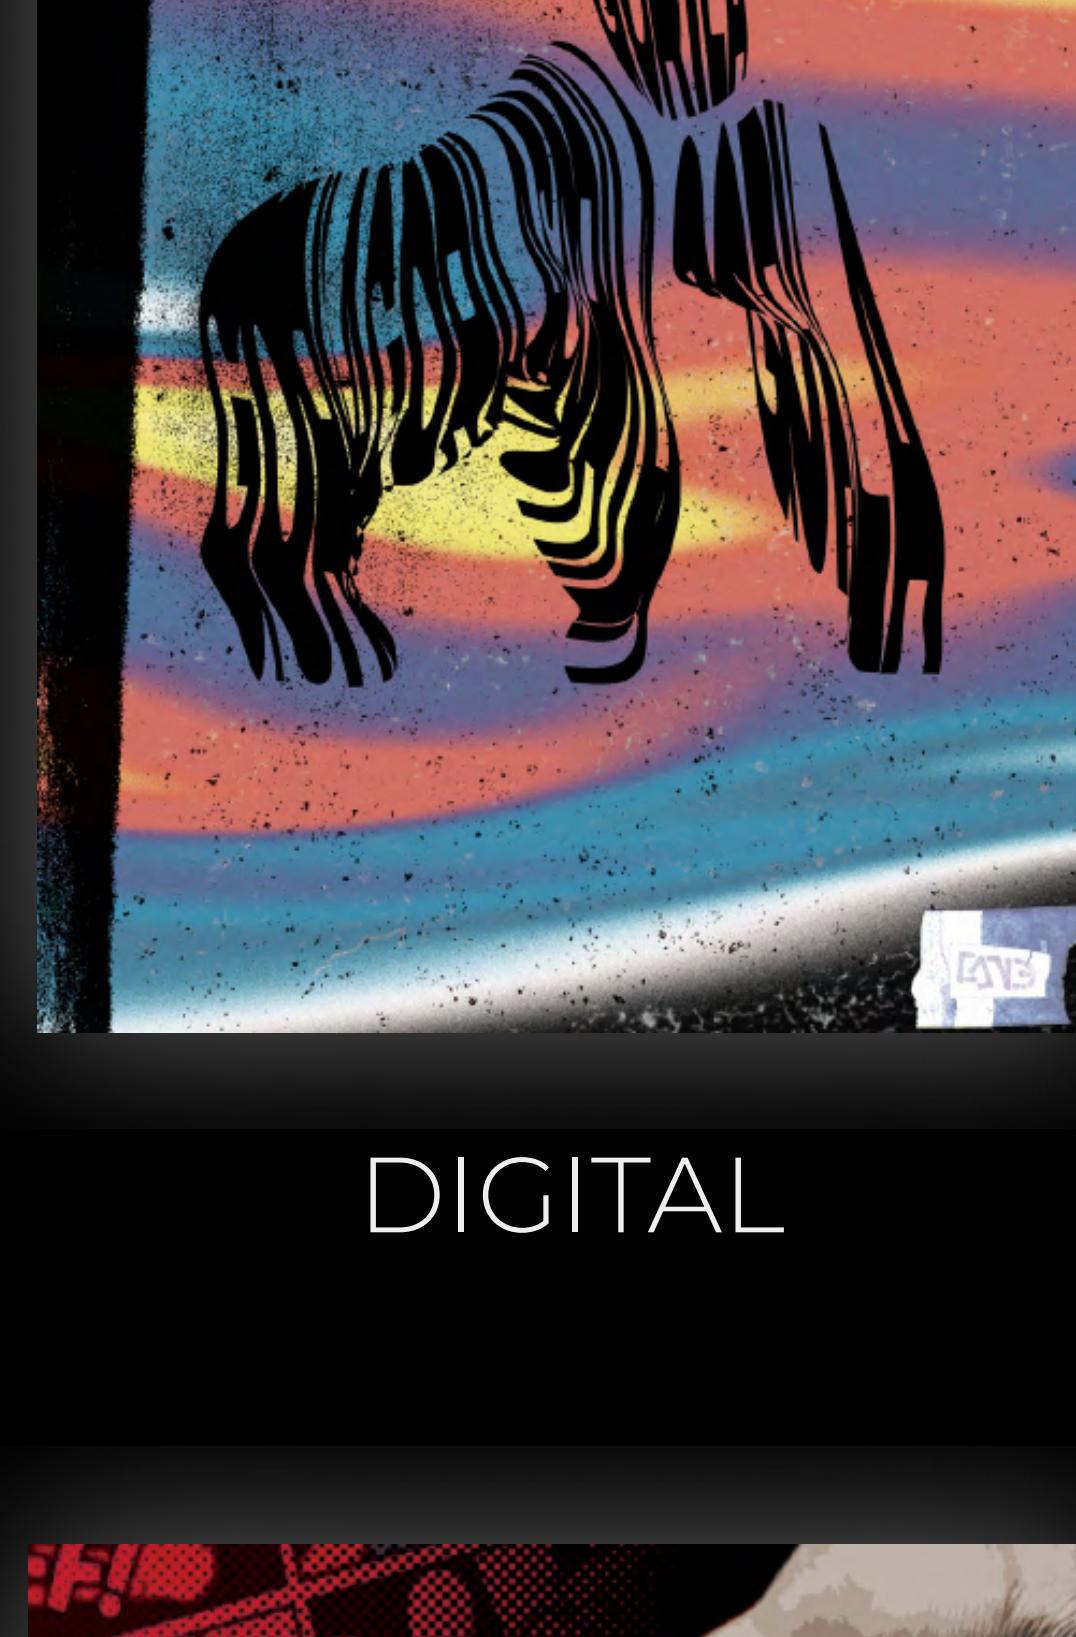

Elaboración de una síntesis gráfica a partir de una retícula y ejercicio sobre lenguajes de representación visual

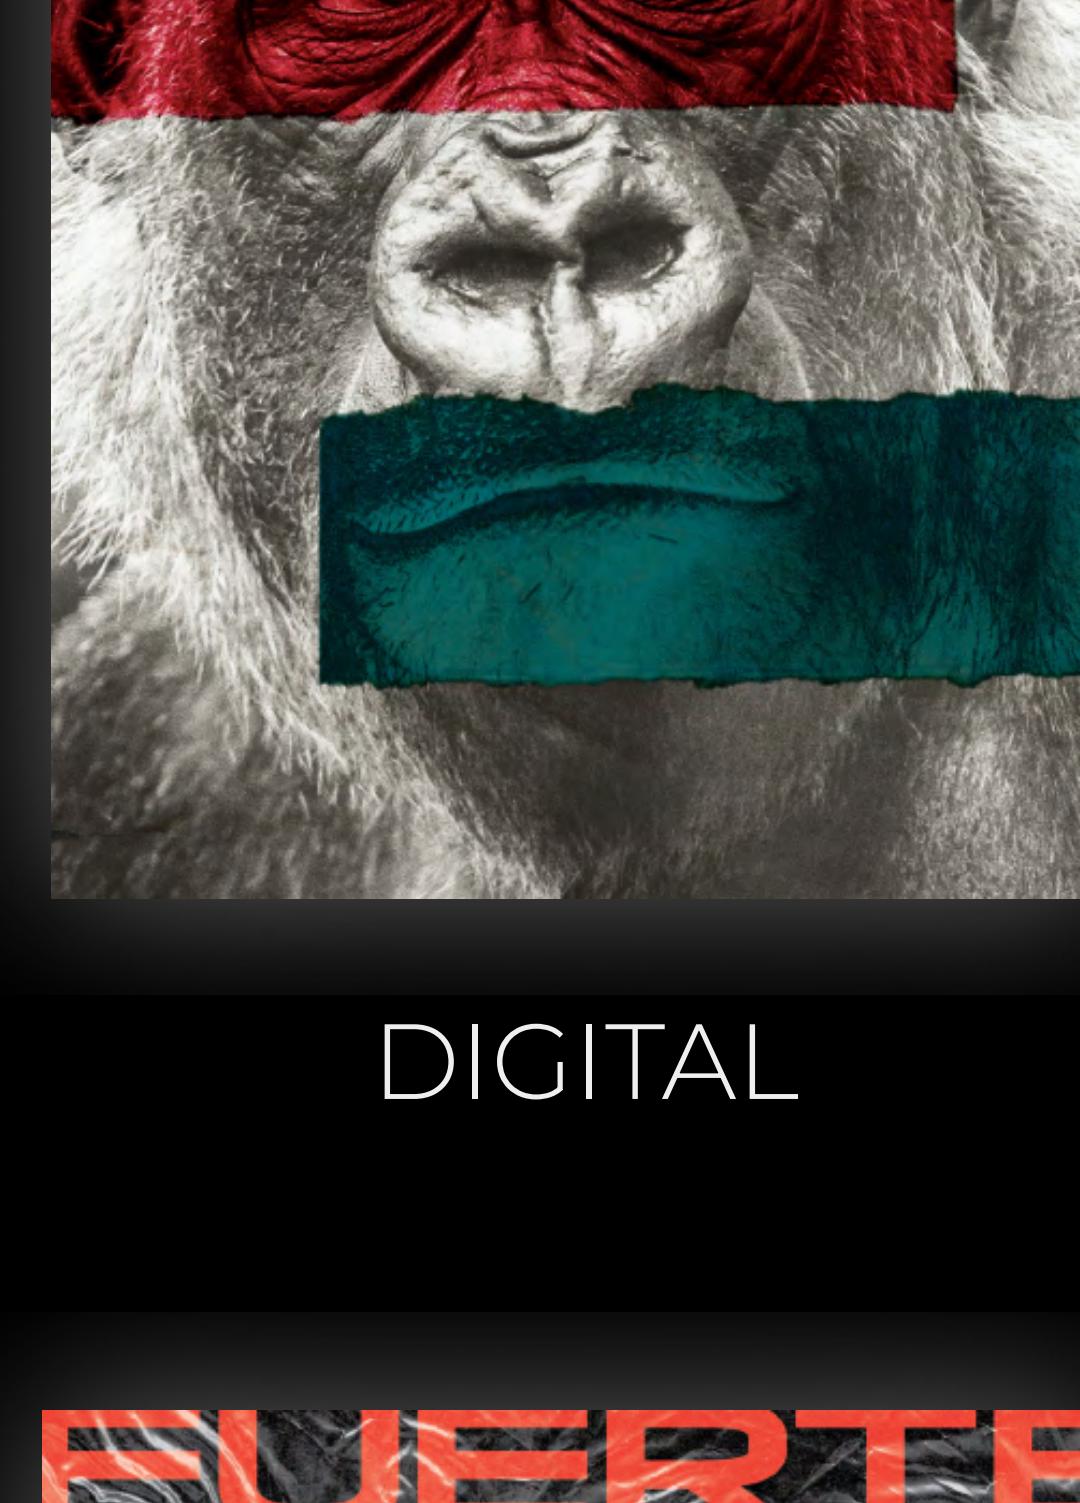

LENGUAJES VISUALES

En esta nueva etapa se propone experimentar con nuevos lenguajes de representación visual en la imagen, que incluyen la presencia del color, líneas, texturas y otras técnicas gráfico/digitales.

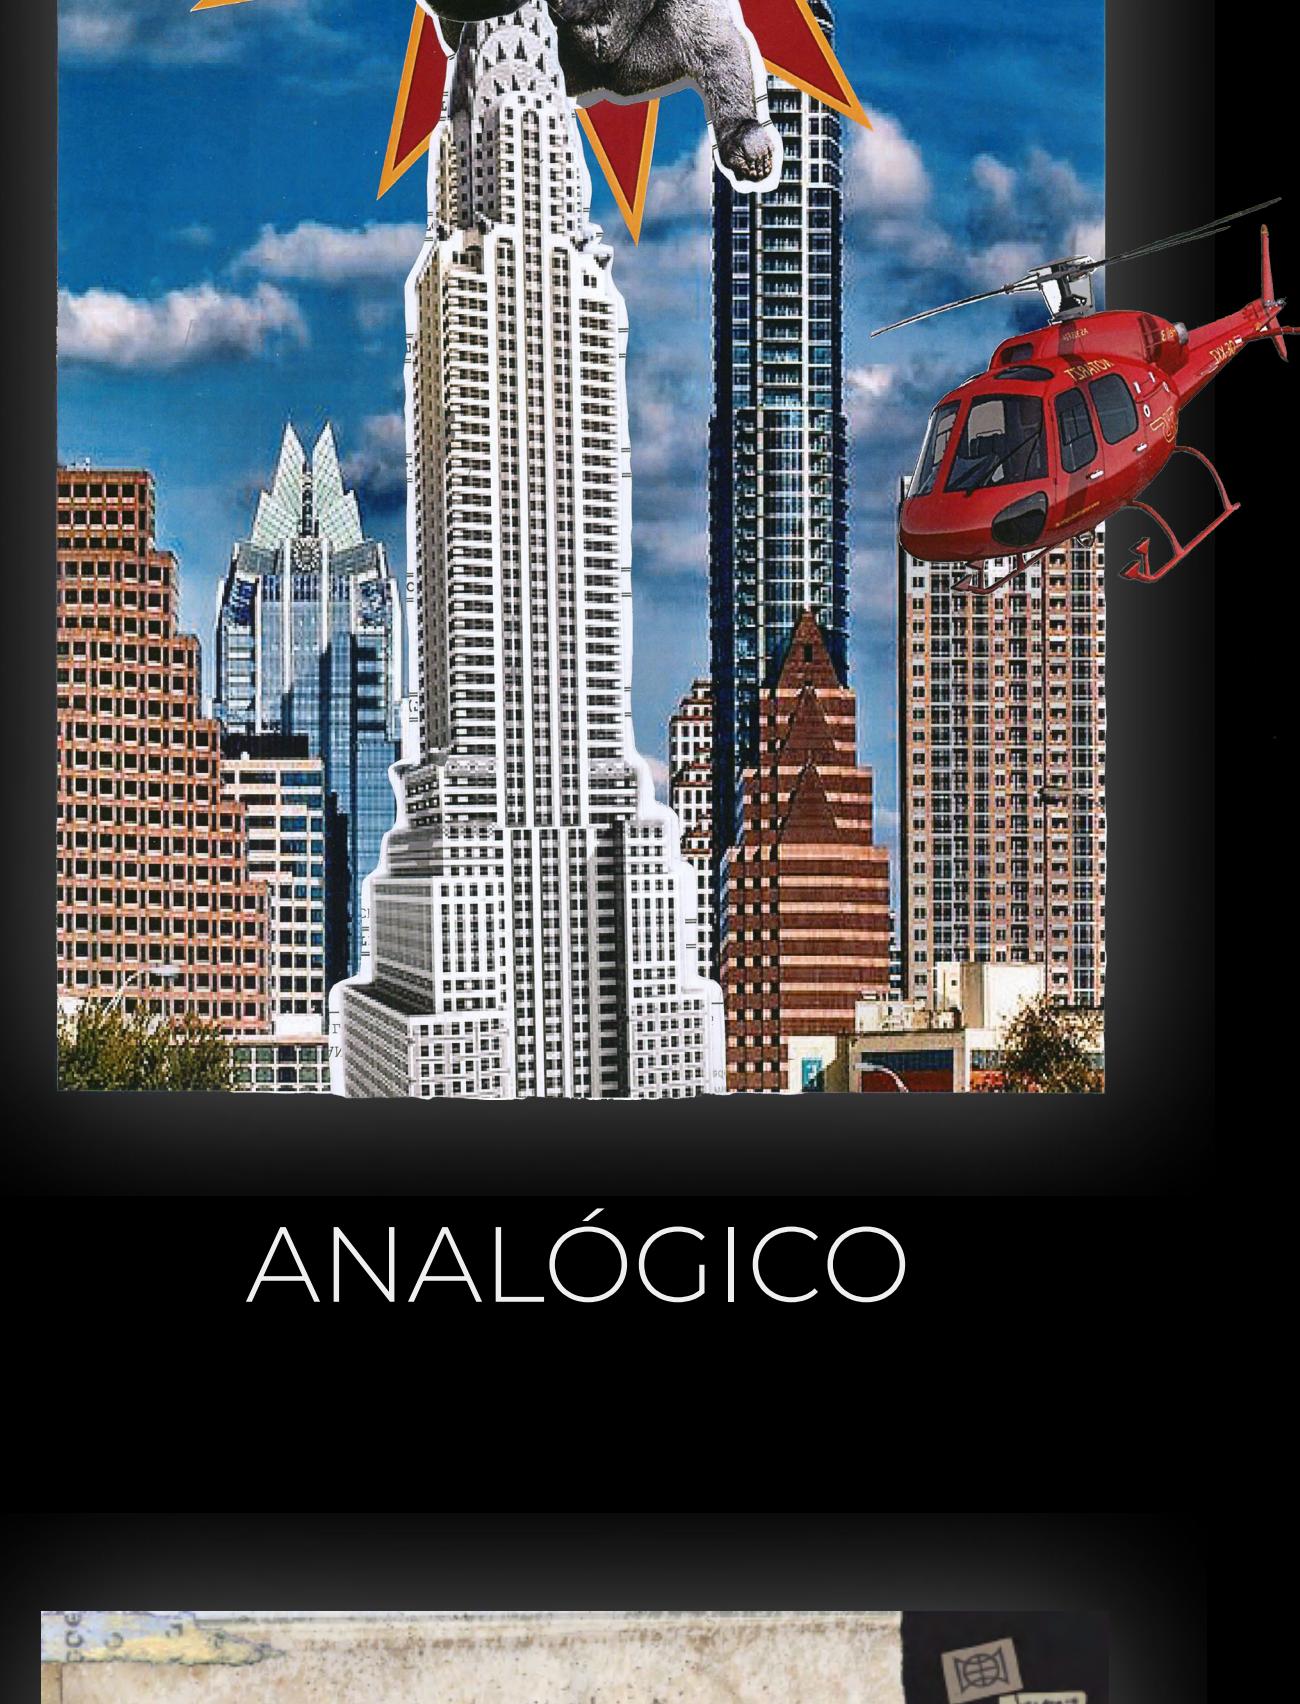

En mi caso el animal elegido fue el gorila.
